

Year 2 - Week 14 - Phonics

For this week's phonics we will be looking at some more sounds that sound different to how they are spelt. We call these alternate pronunciations.

**a** makes the /or/ sound before l or ll

**or** makes an /er/ sound after w

Activity 1: Read the following words. Do you recognise the alternate sound as you say each word aloud?

word

chalk

all

work

worth

tall

wall

worst

Activity 2: Using this week's alternate sounds, can you write the words correctly underneath each picture? Use the rules above to help you.

**Challenge:** Read the following passage. Can you underline the words in the passage by following our key?

Subordinating conjunction    /or/ /er/ sounds    suffixes

My baby sister Ruby is the cutest baby in the whole world! She can walk a few steps and she is starting to talk too. She can only say a few words at the moment like 'Mama', 'Dada' and 'car'. We need to make sure we are always watching her because she may fall down. She is definitely the loudest baby on our street. She usually screams when it is time for bed but I wouldn't change her for the world!
