

Year 1 Reading Home Learning

Can you be a Tricky Word Detective? In school we have fun reading our tricky words in lots of different ways. If you would like to try some of these activities at home, then have a look below for some ideas!

1 Tally Charts

Choose a favourite story and look carefully to spot those tricky words! You can make up a simple tally chart to record the findings like this...

Tricky Words	Book- The Gruffalo	Total
asked		5
looked		2
once		3

2 Hide and seek

Make some tricky word flash cards on paper/ card and hide them around the house. You can earn a point for every tricky word you can find and read.

3 Snap/ Pairs

Play tricky word pairs and snap. Choose which Tricky words you would like to focus on and copy them twice onto some paper. The children enjoy making these resources too so encourage them to copy them accurately.

4 Sneaky Spider

A bit like Hangman but you draw a spider instead of a man! The children love to try and win this game when we play it as a class... they are so good at it! Choose a tricky word and ask the children to guess one letter at a time.
